Builder/Designer Discount Program

How the Builder/Designer Program Works

Upon completion and acceptance of your application your account will be updated to an approved builder/designer.

Approved builders and designers will receive 15% off regularly priced items. This additional discount is not available for merchandise that is on sale or marked "As-Is". If an applicant has a tax exempt status they must complete and sign a "Certificate of Exemption Form E-595E". A credit application may be completed if credit terms are desired.

The builder/designer must notify Casual Furniture World prior to a customer making a purchase through the builder/designer account and must provide the customer name and/or job number.
